Notice of recording of extraordinary loss by SFCG (Code:8597) applied for bankruptcy rehabilitation.

Hikari Tsushin, Inc. announces that the company will book extraordinary losses in its consolidated result for the forth quarter of FY2009 because of loss on sale of SFCG shares.

1. Data of sales

February 26, 2009. and February 27, 2009

2. Reason for sales

Applying for bankruptcy rehabilitation by SFCG and delisting the stock.

3. Outline

Sales of assets 1 of listed security

Loss on sales ¥16.8 billion

※ We have already written off ¥11.2 billion in the third quarter as impairment losses.

4. Impact on Financial Result

The company will book ¥16.8 billion of extraordinary losses in its consolidated result for the forth quarter of FY2009, however, we have already written off ¥11.2 billion in the third quarter as an impairment loss.

On February 26, 2009, we announced that we expect an extraordinary gain of ¥7 billion as we had the partial transfer of shares of the subsidiary. AS a result, there is no change to our earnings forecast.
